FOR COOKING  
ADVANTAGEOUS  
TO DESIGNERS  
AND CLIENTS  
AT LE GOURMET  
KITCHEN LTD.

**A**n extraordinary meal begins as an assortment of ordinary ingredients – herbs, olive oil, wine, spices, vegetables, grains and meat. It takes the passion of a person who loves to cook to transform those ingredients into something special.

An extraordinary kitchen is created on the same principal, beginning with an assortment of cabinets, countertops, appliances and style preferences. It takes the passion of a designer who loves to cook to transform such features into a rare, special kitchen that functions as beautifully as it looks.

Love of cooking is the key element that sets the kitchen design company Le Gourmet Kitchen Ltd. above the norm. Owners Bruce Colucci and Jonathan Salmon, both long-time, certified kitchen designers, have always loved to cook. That love affects everything about their company, from their
